

# TeacherEase

*Software for the Digital Classroom*

St. Dominic School utilizes the online school information system called **TeacherEase**. This online service allows you to have email communication between home and school as well as access to a variety of forms and information that you can view or print as needed.

**TeacherEase** is divided into three sections:

## Academics

- Classes/Subjects
- Assignments & Lessons
- Student Progress
- Student Attendance
- Grades

## Communication

- Announcements
- Email
- Digital locker (handbooks, forms and copies of Wednesday folder information)

## Miscellaneous

- Calendar (Monthly calendars are updated as needed)
- Fees
- Update password/Profile

## Getting Started

Getting started with **TeacherEase** is simple. Just indicate the email address (es) that you would like to use to access **TeacherEase** on your **Parent Information form**. Once we register your email address with TeacherEase, you will receive a "Welcome" email with login/password information.

## General Instructions

1. Go to <http://www.teacherease.com/parents> and log in using your email and password.
2. You will then be directed to the **PARENT MAIN** page.
3. On the **PARENT MAIN** page, you will see the three main sections in a directory on the left and a "News Feed" of emails, announcements and updates on the right.
4. Choose any link from the directory to view the desired information.
