School Stewardship Form

2021-22 School Volunteer Opportunities at St. Dominic School

In addition to making financial contributions through tuition and tithing, St. Dominic School families must demonstrate their commitment to volunteering their time and talent at the school. Through school stewardship, we show our gratitude to God for our many blessings. One of those blessings is St. Dominic School.

INSTRUCTIONS: Read the volunteer opportunities on the next page. Complete the information on the first page and submit. Note that some activities may not take place due to COVID-19 restrictions.
